Fair and colder with frost tonight. Thursday fair.

VOLUME XV | THE CLEARFIELD PROGRESS, CLEARFIELD, PA., WEDNESDAY EVENING OCTOBER 6, 1920 | NUMBER 55

BROOKLYN TEAM WINS SECOND GAME OF SERIES

NATIONAL LEAGUE CHAMPIONS BEAT PITCHING "ACE"

Manager Robinson's Experts Outplay American League Champs in All Departments

SCORE SHUT-OUT VICTORY

The second game of the world's series opened promptly at 2 o'clock, with Grimes pitching for Brooklyn and Bagby on the mound for Cleveland.

Cleveland was retired in order in the first inning, but in their half the Brooklynites got the edge on the visitors by putting one run across on hits by Wheat and Johnson. Wheat's hit was a double to center.

Both sides were retired without a score in the second.

In the third O'Neil opened for Cleveland and was out pitcher to first Bagby was also thrown out by Grimes. Jamison singled to centre. Wamby was out on fly to left, retiring the side.

For Cleveland Grimes singled to center. Olson hit to the pitcher. Bagby chucking wild to second, both men safe. Johnson fouled out to catcher. Griffith doubled to right, scoring Grimes and Olson went to third on the throw home to catch Grimes. Wheat was given a base on balls. Myers hit to third, forcing Olson at home. O'Neil tried to catch Myers at first. The ball hit him in the back and rolled to right. Griffith attempted to score and was out at the plate. One run.

Speaker was given a base on balls to open the fourth. Smith was out at first, Speaker going to second. Gardner out on fly to third. W. Johnston flied out to left. No runs; one hit; no error.

For Brooklyn Konetchy was out on pop fly to second. Kilduff out on fly to center. Miller was thrown out at first by Grimes. No runs; no hits.

Sewell was out pitcher to first. O'Neil was thrown out at first by Olson. Bagby out on fly to center.

For Cleveland Grimes was thrown out by Sewell. Olson singled to centreJohnston was out at first, Olson going to second. Griffith scored Olson

NEW YORK BROTHER OF McSWINEY DROPS IN ON LORD MAYOR

LONDON, Oct. 6.—Terence McSwiney was overcome with joy today when his brother Peter arrived from New York. The Lord Mayor, on the 55th day of his hunger strike in Brixton prison, whispered greetings in the ear of his brother and then dropped back on his cot. Peter, who is a shoe cutter in New York, arrived without warning and went to the jail unannounced. The Lord Mayor, opening his eyes, saw the quivering face of a grayheaded man. Smiling slowly he recognized his brother whom he has not seen for 20 years. He whispered greetings and then he was forced to lay back on his cot still cla-ping the hand of his "big brother."

"Terrance was too weak to lift his hand," Peter said." He started to ask me how the strike was regarded in America, but collapsed before I could answer. I am surprised at the attitude of the British government toward my brother. If it had occurred in Armenia or Bulgaria there would be a storm of protest. Occurring right at home, it is not considered seriously."

Peter's arrival was shrouded in mystery. He refused to tell how he accomplished the trip but it was reported he came to London as a sailor and without passports.

McSwiney spent a bad night, according to a Sinn Fein bulletin. His condition changed last night and his pulse was faster.

FAIR BOOSTERS ENCOURAGED BY EXHIBITS

Over Eighteen Hundred Stock, Fruit and Produce Exhibits Were on Exhibition

ONLY WEATHER WASN'T RIGHT

The heavy rains of Thursday and Friday greatly interfered with the success of the Clearfield county fair and disappointed a large crowd of pleasure seekers from every direction throughout this section of the state.

The Clearfield county fair during the past five years, or since the present management has taken charge of the park, has become an institution looked forward to each fall by all those interested in agriculture and stock exhibits and the general entertainment to be found in and about a real old-fashioned county fair.

The Clearfield County Agricultural Society and the Clearfield Park Association started out determined to make the annual Clearfield fair the real feature event of the Fall season in this section of Pennsylvania and how well they are succeeding in their efforts is being demonstrated by the phenomenal growth of the fair each year.

This year the preparations were greater than ever before and the crowds of spectators fortunate enough to attend Tuesday and Wednesday marveled greatly at the immensity of the exhibits and the program provided for the entertainment of visitors.

Indications for Thursday and Friday pointed to the largest crowd of fair visitors ever in Clearfield, but the equinoctial rain which set in Wednesday night and continued intermittently throughout both Thursday and Friday made it simply impossible to attend the fair with any degree of comfort and nullified the sports and outdoor program, with the result that the expected crowd did or could not appear. There was great disappointment on every hand, while the financial loss to the fair management totalled several thousand dollars.

However, despite the inclement weather, several thousand people braved the continuous drizzle on Friday and visited the park, drawn there by the magnificence of the exhibits alone.

In order that all may get some idea of what this year's exhibits and fair consisted of we present the following brief statement concerning the same from L. . Banta, one of the superintendents of that department:

"The Clearfield County Fair is now past history—but we have demonstrated that the citizens of this commonwealth know how to hold a real fair—and it's an agricultural fair in every sense of the word, and this is only possible because there is real co operation throughout the county. The weather was against us—which we could not help—but the fair was ready—and was the largest display ever gathered together in this county There was a total of 1822 separate exhibits in the agricultural classes as follows:

354 Chickens.
162 Rabbits.
27 Guinea Pigs.
2 White Rats.
6 Dogs.
5 Turkeys.
13 Guineas.
4 Ducks.
1 Porcupine.
31 Hogs.
69 Sheep.
34 Horses.
2 Mules.
60 Cattle.

and 1062 exhibits of Fruits, Vegetables and farm products, making a grand total of 1822 in agriculture. Are we downhearted No—we will have a bigger and better fair next year. It won't always rain. Now all together for 1921.

L. A. BANTA."

The above statement tells the whole story and demonstrates just why the Clearfield county fair is once more so firmly established in the good graces and well wishes of the entire people of Clearfield county.

SECRETARY WILSON HAS NO STATEMENT ON HARD COAL WAGE

CANTON, O., Oct. 6.—Wm. B. Wilson, Secretary of Labor, said today he would announce from Washington shortly his position on the request of the committee of Pennsylania anthracite miners to reopen the conference between miners and operators for discussion of the question of a wage scale. Wilson was interviewed by the policy committe yesterday. The committee departed last night intimating that a strike may follow refusal to reopen the wage question. "I will give the matter my serious consideration, Wilson said. I will announce my decision from Washington." Wilson refused to discuss the situation further. Officials of District No. 9 of the Pennsylvania anthracite field charge they are being discriminated against.

WASHINGTON, Oct. 6.—President Wilson will await advices from Secretary of Labor Wilson before acting on the appeal of the anthracite coal miners for a readjustment of their present wage scale, according to White House officials today. The Secretary of Labor met with the policy committee of the miners in Canton and is expected to give the President a report on the proceedings with recommendations for action. The President previously refused to reopen the wage award made by the wage scale commission while many of the miners were on an outlaw strike.

U. S. COURT UPHOLDS HAYWOOD SENTENCE

CHICAGO, Oct. 5.—The United States Circuit Court of Appeals handed down a decision today upholding the conviction of William D. Haywood and 93 others who were found guilty and sentenced to prison for obstructing the draft law during the war. Two counts were thrown out by the Appellate court but in all others the decission of the lower court was affirmed.

Haywood and most of the other defendants have been at liberty under bonds for more than a year pending hearing of their appeal.

CHANGE IN STATE POLICE.

Corporal Hoffman and Troopers Underwood and Goldbery of the State police, who had been located in Clearfield for the past six months or more, have been recalled to the barracks at Butler. Corporal Jones and two men, formerly located at Oil City replace the three men recalled and with Trooper Keogh will make up the detail located here.

HYDE CITY BEAR HUNTERS.

C. R. Fullerton, G. F. Peasley, T. Duttry and M. Ludwig, a bunch of Hyde City Nimrods are getting ready to go up into Potter County on a bear hunt. There are so many black bears in Potter county this year that the State Game Commission was induced to let down the bars of the game laws and each hunter may kill two bears in Potter county this fall—if he sees them and don't lose his nerve.

The Hyde City hunters will leave for Potter County next week. They received a trained bear hound from Kentuckey yesterday and are going after bruin in style.

The Agricultural Society and the Park Association are making the Clearfield County fair a real agricultural exhibition. That is what the people wanted and they are showing their appreciation of that fact.

While not making any money this year the Park Association is far from being discouraged and are already planning and building for bigger things for next year.

It is proposed to completely remodel the rear of the park grounds by greatly enlarging the present sheds and buildings as are made necessary by the increasing patronage at the fair.

The Park Association and Agricultural Society are fully deserving of the high compliments being paid them for the character of this year's fair and will endeavor, with the co-operation of our people generally, to make next year's exhibition even bigger and better.

Action Speaks Louder Than the Platform

TWO BABIES IN SAME FAMILY DIE WITHIN JUST FOUR DAYS

Death entered the home of Mr. and Mrs. Elmer Johnston on Dorey street last evening for the second time inside of four days and removed therefrom their bright little sixteen months old daughter, Elsie.

On Saturday noon last their infant son Victor died as the result of an attack of cholera infantum and was buried in Hillcrest cemetery on Sunday afternoon. Little Elsie was stricken with the same disease and taken to the Clearfield Hispital for treatment, but medical skill was of no avail and the little soul winged its silent flight to that better world last evening. Funeral services will be held at the Johnston home tomorrow morning at 11 o'clock.

Mr. and Mrs. Johnston have the sympathy of the entire community in their double bereavement.

LOTS OF HUNTERS THIS YEAR.

Up to 3 o'clock on Tuesday afternoon County Treasurer A. H. Rumberger had issued 2660 hunters licenses to Clearfield county hunters.

The total number of hunters licenses issued in Clearfield county last year was 8941. Of this number about 125 were for non-resident hunters.

THE WORLD'S SERISS BY WIRELESS.

The world's series games between Cleveland and Brooklyn will be received daily play by play by wireless and bulletins pasted after each inning in front of Leitzinger Bros store on Market street.

The wireless is being operated by "Ted" Leitzinger and will be the only detail serivce in Clearfield, it being impossible to get a wire through to the electric scale board at the Y. M. C. A.

CHRISTIAN AND MISSIONARY ALLIANCE TENT SERVICES CLOSE.

The service of the full Gospel tent tabernackle meeting, located on River street near Nichols street bridge, closed with the Blessing of God on the deliberation of the old-time Gospel in the old-time way. Which is the Power of God into Salvation to "Every one that believe, to the Jew first, then to the Greek, Romans1.16." These meetings surely prove this statement by the Souls that have Confessed Christ as their personal Savior.

LEGION BAND WILL GIVE A CONCERT IN NEAR FUTURE

The American Legion band, under the very capable direction of Prof. H. Clark Thayer, is rapidly rounding into form and may soon be heard on our streets. The band is practicing two nights a week now and is showing the good effect of the extra work.

The band members were measured for their uniforms last night and it is expected that the uniforms will arrive here about the 15th of October.

There were twenty members at practice last evening and it is hoped the full membership of thirty will be out to rehearse Friday evening.

The band is arranging for an opera and concert to be put on shortly after the uniforms arrive.

BRANTNER-THORBURN

Martin P. Brantner and Miss Anna C. Thorburn both of Clearfield were united in marriage yesterday morning at the West Side Methodist parsonage by the Rev. C. C. Snavely. Their many friends wish them happiness.

And those that have believed and received the Holy Ghost acts 19:2 the sick healed according to Janes: 14-15 and 14 of these by following the Lord in Baptism in the Susquehanna River yesterday afternoon.

A full Gospel service will be held in the Hall of the Susquehanna College of Music, located on Locust street Sunday afternoon at 2:30 and in the evening at 7:30 under the auspices of the Christian and Missionary Alliance.

A cordial welcome to all to come and hear the truth.

NEWSPAPER OF WEST TELL TALE OF CRUEL CRIME

Fletcher Boys Beaten, Shot and Robbed, According to Details Just Received

BOTH FOUGHT DESPERATELY

The Bishee Gazette, of Bishee, North Dakota, had the following stories concerning the murder and robbery of Archie and Earl Fletcher, sons of James Fletcher, whose dead bodies were found near Bishee on the morning of Sept 20th last:

"Monday at noon a telephone message notified the county coroner that two men were found dead near Lake View school house No. 3. State Atty. Mosely, the coronor and depyt. sheriff Moylan went from here to investigate and hold an inquest. The bodies were found near School No. 3, in Lake View district. When the officials arrived there was a large crowd of people there who had come to view the bodies with a view of identification.

From appearance there had been a teriffic fight before the men had been pounded and shot to death. The men had been hit on the head, supposedly with a heavy machine hammer which was found near by, as was also the holster of an automatic revolver. The holster bore the trade mark of some German firm and also the name "Bernhard Heinr. Geyer." Both men had bullet holes through their bodies near the heart region. Splotches of blood were here and there near where one of the bodies lay.

A Coroners jury was sworn in and the bodies were thoroughly examined by the jury and Doctors Swenson and Widmeyer.

The bodies lay about 600 feet apart, a trail of blood leading from one to the other, indicating that one man had been shot and then ran, or was shot while in the act of running, and was overtaken by the murderer and hit with the hammer. This man had his skull crushed, and was shot through one lung the bullet entering from the back. The other man was shot twice, one bullet entering at the right cheek and one at his breast passing through his heart.

The men were clad with clothes of fairly good make, but all clothing was absolutely clean as though recently laundried. Little of value was found on the bodies, less than one dollar in money, but a number of such things as a person usually carries who drives an automobile, such as valve springs, tester and such like.

The inquest adjourned to Tuesday afternoon, and the bodies brought to Bisbee and prepared for burial.

The coronors jury, after hearing all the evidence, which was most meagre returned a verdict that the men came to their deaths by gun shot and other wounds inflicted by some person or person unknown.

Theories as to who the men are and why they were killed vary. Some incline to the belief that the motive was robbery, others that the men owned a car and were killed to get the car.

The murdered men were given a decent burial here Tuesday evening the condition of the bodies being such that made early interment imperative Rev. Helseth accompanied the remains to the cemetery and gave them Christian burial.

Killed For Their Money.

Sheriff Oakland seems to have had the correct hunch Wednesday morning when he started out to trail the murderer of the Lakeview victims.

After the inquest Tuesday he met M. Small of Mylo and he told the sheriff that he had not only seen but talked to the dead men at or near Belcourt on Sunday afternoon They told him they had been threshing near Calvin and were going back to that place and then start for their home in Iowa.

The sheriff concluded to investigate that clue and started out Wednesday morning When he reached Egeland he met a young man who had come from Calvin and was on his way to

(Continued On Page Five.)

EVERY CITIZEN SHOULD ANSWER THIS SUMMONS

Public Mass Meeting Called to be Held at High School Auditorium Friday Night

BEGINS HOSIPTAL CAMPAIGN

Doubtless you recall the motoring farmer—Tud Junkins or somebody—who replied, when asked whether he were voting for Harding or Cox, that he rather thought he'd vote for that man Detour, as he had seen his signs all around and he was putting on a big campaign.

Well, if anybody asks what you're going to do on Friday evening, just tell 'em that you vote for attending the mass meeting for the Clearfield Hospital because it's putting on a big campaign.

Seriously, folks, there's going to be a mass meeting in the High School Auditorium at 7:30 o'clock Friday evening that is fraught with meaning for every man and woman in Clearfield county. It is the mass meeting which it to launch the county-wide drive for a $200,000 maintenance, endowment and building fund for the new Clearfield General Hospital.

"Attend it, not only for the enjoyment you will derive, but as a matter of civic loyalty," is the plea of the prominent Clearfielders backing the big drive. "Let it be such a mass meeting as only the people of Clearfield county can stage when, as a unit, they get back of a vast public project. We promise an enjoyable evening—arrangements have been made to that end—and we want EVERYBODY to turn out. We're going with our wives and families. Our friends are going to take their families. We want this mass meeting Friday evening to be one big jolly reunion of the good old Clearfield family.

"The program includes among other things, singing by a quartet who won things, singing by a quartet who have won particular praise wherever they have sung; music by one of the best orchestras in the region, which is preparing a special program for the occasion; and two of the best public speakers in the State of Pennsylvania—Judge Singleton Bell and A. M. Woodward, attorney-at-law. Dr. S. J. Miller of Madera will preside. Now let's pack the auditorium!"

"And say, "murmured one of the executives to a representative of The Progress, "let the people know that we're going to have some good news to tell them at the meeting. Nope, can't tell it until the meeting."

Actual canvassing will not begin until Monday, October 11, but the meeting will mark the formal opening of the campaign. It is likely arrangements will be made for extra bus service to bring in the people from Curwensville and other points.

P. T. Davis, Clearfield borough chairman, and his four ward chairmen met last night at campaign headquarters in the Murray building and went over plans for making the canvass of the city thorough and detailed. All were enthusiastic; and there is manifestations already of the "over-the-top" spirit.

ATTENDING STATE FIREMEN'S CONVENTION.

Messrs. H. G. Ogden, Charles LaBarr, L. C.Weise, W. H. Sutton and R. E. Whitehill left Monday morning for Allentown to attend the State Firemen's convention in sesion there this week.

ANOTHER WRESTLER AT BOARD. MAN.

Frisk, of Austria, the Tioga county "strong boy", who recently met defeat in a wrestling bout at the hands of Leslie Roberts, the well-known Clearfield county champ., has secured employment in the mines at Boardman and will attach himself to Kotzman's stable of athletes.

Miss Dolly Lockard has returned from spending a few days in Surveyor.

Mr. and Mrs. William Polkingham of Woodland, were shopping in Clearfield yesterday.

MAKING WAR ON DISEASE MENACE

American Red Cross Announces Budget of $48,200,000 For Current Year.

NEW DISASTER RELIEF PLAN.

Continuance of Heavy Work Abroad Deemed Necessary to Protect United States—$21,000,000 Less Than Last Year.

A program of relief and service toward which appropriations of $48,200,000 have been made has been outlined for the American Red Cross for the fiscal year, July 1, 1920, to July 1, 1921, according to official announcement by national headquarters of the organization at Washington. The figures for 1920-21 are $21,000,000 below those of 1919-20, in which $69,400,000 was spent.

Important among the items of the budget for the present year is the appropriation of $31,500,000 for relief in foreign lands, which includes $11,000,000 in purchased supplies on hand and not distributed.

Must Protect United States.

This will enable the American Red Cross to continue its humanitarian effort to aid stricken peoples to re-establish themselves, to fight the disease epidemics which threaten many countries and to efface largely the remaining traces of the blight left by the World War. It is regarded as social as well as physical sanitation on a large scale that will have a direct bearing on future conditions in America.

Central Europe, the chief sufferer from the conflict, today is facing another winter of famine, pestilence and ruin. Typhus decreased much during the summer months where last winter it had its greatest stronghold, but physicians who investigated the situation at the behest of the League of Red Cross Societies have given their unqualified opinion that this coming winter will see a recurrence on an unprecedented scale. The Red Cross feels it must continue preventive measures abroad to keep this and other deadly maladies from the United States.

Millions for Work at Home.

When the disease was sweeping Central Europe last winter the American Red Cross, with the aid of the governments of afflicted nations, undertook the fight against it. Hospitals were established wherever possible and food and clothing were distributed to the undernourished populations, who by reason of their undernourishment were easy prey to the epidemics. Where disorganization contributed last year to the great inroads made by the disease, by virtue of its knowledge of the disease and the presence of well established hospital centers, the American Red Cross this year will undertake the work with a new confidence.

Including the total of $11,000,000 in supplies left from the last fiscal year, the $31,500,000 is $21,000,000 less than the expenditures for 1919-20.

Appropriations for domestic activities total $16,700,000.

The largest item of this "home" budget is $7,800,000 for civilian relief work. This includes service and assistance for families of soldiers, sailors and marines, and work incidental to disaster. Of the total appropriation for civilian relief, $5,000,000 is held in reserve for the carrying out of actual disaster relief.

Reduced Overhead Expense.

The Red Cross invariably is the first thought of a community visited by calamity. With this in mind, it was determined by the Executive Committee in preparing the budget of 1919-20 to have a fixed reserve fund from which to draw in these instances.

For assistance to soldiers, sailors and marines in hospitals and in camps this year $1,900,000 has been set aside. Four million two hundred thousand dollars has been appropriated for improvement of health and prevention of disease throughout the United States during the current twelve months. The Red Cross is co-operating fully with the United States Health Service in this work and through its Junior Red Cross is doing much to spread among children the principles of sanitation. An appropriation of $1,000,000 has been made for developing the peace time program of the Red Cross by service to its chapters in all regions.

The appropriation of $48,200,000 is exclusive of the local expenditures of the 3,000 or more chapters.

Administration expenses this year will be $1,800,000. Last year they were $2,300,000.

Don't Wait

for workers to come and ask you for a renewal of your membership. Send in your dollar to the nearest local chapter of the American Red Cross. Welcome the opportunity and privilege of repledging your fellowship by promptly answering the

Fourth Roll Call
November 11—25, 1920

As to Immortality.

If I am wrong in thinking the human soul immortal, I am glad to be wrong, nor will I allow the mistake which gives me so much pleasure to be wrested from me as long as I live. But if when dead as some insignificant philosophers think, I am to be without sensation, I am not afraid of dead philosophers deriding my errors. Again, if we are not to be immortal, it is nevertheless what a man must wish—to have his life end at its proper time. For nature puts a limit to living as to everything else.—Cicero "On Old Age."

Cork-Wood Production.

The total world production of cork wood is estimated at 396,832,000 pounds, of which 45 per cent is produced in Portugal, 30 per cent in Spain, 20 per cent in Algeria and Tunis, and 5 per cent in France and Italy.

Shock of Explosion Carried Far.

Five tons of nitroglycerin exploded in a powder mill in Canada, and incidentally shattered every pane of glass in the windows of a train crossing a bridge over the Richelieu river, more than a mile away.

Receive What We Give.

When some one asks you, "How is the world treating you?" did you ever stop to consider that your answer is invariably in accordance with the way you've been treating the world? You cannot go around with a grouch on and expect the world or the people in it to be any too pleasant to you. We get "what's coming to us"—every time.

Oxford University.

There are legendary stories of the university's formation by King Alfred. As early as 1117 there are notices of continental scholars lecturing at Oxford, and it was certainly a center of learning in 1185. Cambridge is probably almost as old, although its origin is also obscure.

Original "Humpty Dumpty."

The original of the Mother Goose melody was a satire on James II of England, who fled for aid to the court of Louis XIV of France, then the most powerful monarch of Europe, but "all the king's horses and all the king's men couldn't put Humpty Dumpty together again."

Commercial Night School will begin Tuesday evening, October 12. 16j5-6tc

Many Shoes Made From One.

When a Mexican automobile refuses to wear an old shoe any longer, the shoe is sold for a few cents to a poor native; whereupon he and his family wear it. He cuts the shoe into thick slices which vary according to the size of the family's feet; thus out of one shoe he makes many. They retain their natural shape and are bound around the feet with thongs. In rainy weather nonskid shoes are worn by some of the more prosperous natives. —Popular Science Monthly.

"Index Numbers."

The "index number" is a well-established device commonly used for measuring changes in wholesale and retail prices and rates of wages over long periods of time. It is constructed by securing each month the prices or rates of a uniform list, at certain specified places, and striking an average. Such numbers are usually reduced to percentages. The lowest price known is sometimes taken as a base, or as in case of investment stocks, 100 is used.

A Long Farewell.

"Farewell! Thou are too dear for my possessing," sighed Jones, quoting from Shakespeare, as he left his automobile with the second-hand dealer.—Boston Transcript.

TWO YEARS IN BED AND ROLLING CHAIR

Mrs. Wilson Had Given Up All Hope of Ever Getting Well—Takes Tanlac And Now Feels Well As Ever in Her Life

"For two years I spent all my time either in the hospital in bed, or in a rolling chair, and during that time I was given up to die, and I don't guess I would be here now if it hadn't been for Tanlac," said Mrs. E. O. Wilson. Mrs. Wilson is well known in Atlanta, Ga., her husband having been employed by The Constitution for a number of years.

"I was a great sufferer from chronic indigestion," continued Mrs. Wilson, "and don't guess anybody ever had to go through with what I did. I was very weak and nervous, and at times had those dreadful smothering sensations to the point of fainting. I had dreadful headaches, severe pains in my back and over my kidneys and my joints ached all the time. For two years I had to live entirely on boiled milk, toast and soft boiled eggs, and even that didn't digest well and would sour on my stomach. I didn't know what it was to get a good night's sleep. I took one kind of medicine after another until our house was almost filled with empty bottles, but instead of improving I was getting worse all the time. Finally they took me to the hospital for treatment, and I lay there for five long months, but even that didn't make me well. It was taking nearly every cent of my husband's wages to pay my doctor and drug bills—our drug bill alone amounted to $14 or $15 a month, and one doctor bill amounted to $108.

"It looked like everything had failed to help me, and I had about given up all hope when one day my husband brought a bottle of Tanlac home with him and asked me to take it. He said he had been reading and hearing a lot of good things about it and didn't see any reason why it shouldn't help me. I was confined to my rolling chair when I began taking it.

"Do I look like an invalid now. I certainly don't feel like one, and I actually gained twenty-five (26) pounds on eleven bottles of Tanlac, and feel as well as I ever did in my life. I can eat anything I want—such things as meat, turnips. Hardboiled eggs don't hurt me a particle, and I sleep as good as I did when I was a girl in my teens. I can get about as well as anybody and just the other day I walked down town, and I am running around the neighborhood calling on my friends nearly all the time now. I haven't a pain about me. I believe I am the happiest woman in Atlanta, and I think I have a right to be. I think my recovery is almost a miracle, and everybody in our neighborhood thinks the same."

Tanlac is sold by all leading druggists.

You Don't Have To Worry About The Price— Not Of This Coat

Just slip into it. Chances are you never felt "more in an overcoat."

Finely tailored, honest fabric of all-wool, warm, durable, of latest line, just right in length and in weight.

Be Pretty! Turn Gray Hair Dark

Look Young! Nobody can tell if you use Grandmother's simple recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur properly compounded brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get his mixtue was to make it at home which is mussy and troublesome Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this famous old recipe improved by the addition of other ingredients at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Try a want-ad.

CURWENSVILLE

The indoor picnic held in the basement parlors of the Methodist church last evening by the ladies' adult bible class and their guests, terminated in a most enjoyable and social affair, everybody having a good time. Almost one hundred persons were present and partook of the refreshments, which were appetizing and plentiful. As one fellow said, who was never known to miss any gathering where cake and ice cream was to be had, "It was indeed good to be there and enjoy the company of the ladies and the feed they set up for one to stuff himself with."

A foot ball squad, composed of youths of about sixteen years of age, are greatly excited over a proposed game of "rough and tumble" with a squad hailing form the county seat, and advertised to come off at Athletic Park grounds next Saturday afternoon.

The hot water furnace in the residence of Dr. Jenkins played him a scurvy trick during one of the cold nights last week. He had just started her agoing to warm up his home a little, when "bish" a whole section sprung aleak. The break will necessitate the Dr. purchasing a new furnace as the model he had is out of the market and can not be had. He is now heating with oil stoves, etc.

Didn't Have the Price.

Returning home from the dentist's, where he had gone to have a loose tooth drawn, Ide Raymond reported as follows: "The doctor told me before he began that if I cried or screamed it would cost me a dollar, but if I was a good boy it would be only 50 cents. "Did you scream?" his mother asked. "How could I?" answered Ray; "you only get me 50 cents."

LESSONS IN OPTOMETRY

HARRY H. ROSENTHAL, O. D., WOOLREDGE BUILDING, CLEARFIELD, PA.

LESSON NO. TWO.

The last lesson spoke of increased efficiency as the result of improved vision. Explain.

By overcoming the optical defects by the use of glasses eye strain with all its undesirable results is eliminated, with the benefits described.

Who should be entrusted with the duty of determinng optical defects?

An Optometrist.

What is the most important duty that an Optometrist performs?

Refracting the eyes.

What is meant by refrecting?

Measuring the character and extent of the defects of vision.

Is an Optometrist entitled to charge for this service?

Yes, as his ability to perform this duty accurately is his most valuable asset.

Should Be "Brow-Study."

The application of the term "brown-study" to a state of mental abstraction or meditation is said by some writers to be a misnomer, as the real term is "brow-study." It is, however, more probably one of a group of similar phrases in which colors are employed to designate characteristics or temper, as "black melancholy," "blue-devils," "green-eyed monster," "yellow-stocking," "blue-stockings," "white-feather," and a number of like terms in common use.

Come in and see a New Edison *which bears a* CERTIFICATE *of* AUTHENTICITY

Signed by Cecil Arden

(only 10 of these Official Laboratory Models in our store)

MISS ARDEN has pronounced them exact duplicates in tonal quality of the instrument used at High School Auditorium and capable of sustaining with absolute success the same test of direct comparison with her living voice. By signing this Certificate, she declares them equal, in every respect, to the instrument which stood beside her Monday night on the stage at the High School Auditorium and amazed all Clearfield.

Let us show you and play for you these Official Laboratory Models, which have proved their supreme realism. Come in today. Remember, we have only 10. We shall deliver with each Official Laboratory Model the Certificate of Authenticity, which this artist has signed for it. You will prize this New Edison above all other musical instruments. It will not only be your means of access to the real voices of the world's great artists, but also a peculiarly precious memento of one of the greatest contraltos of all time.
Ask for the Certified Official Laboratory Model.

Why the Audience at High School Auditorium was so amazed by

The NEW EDISON

"The Phonograph With A Soul"

This was the test made by Miss Arden last Monday at the High School Auditorium.

She sang. Suddenly she ceased to sing and the New Edison took up the same song alone.

No one in the audience was able to tell Miss Arden's living voice from its Re-Creation by the New Edison.

The phonograph has achieved that marvel of marvels—perfect realism!

Why not let us deliver today one of these New Edisons with Certificate of Authenticity? You can arrange the payment any way you desire. Step in, or telephone. There's no time to lose.

BROWN'S BOOT SHOP
CLEARFIELD, PA.
Punxsutawney DuBois Indiana

stood in rear of his stable. This was also referred to sewage committee. Mr. Fredrick, representing the Raftsman Water Company, was present with new contracts, but as only two councilmen were present nothing more was done than to merely read them over and discuss them point by point. Adjourned.

Mr. William Bowers left for Pittsburgh yesterday on a business trip, and while in the city will spend a short time with a sister.

Mr. Daniel Jones left for Salem, N. J., Monday, having been called to that city owing to the illness of his only sister, Eliza. He was accompanied by Miss Orrie Jones, a niece.

Born, to Mr. and Mrs. Calvin Parris, at their home in Naulton, Pike township, on Tuesday morning, a son.

J. Alton Shoff, athletic manager of the American Legion post, has issued a call to all who wish to become members of a football squad. The meeting will be held this evening at 7:30 o'clock, when it is expected that a full team will be organized.

Monday we noted the sale of Merritt Caldwell's interest in the Wiley Coal Company. Since that time we are informed that Mr. Caldwell has disposed of his interest in the Cassidy mines to Messrs. O. A. Norris and Howard Thompson, and also that Messrs. Wiley, Norris and Caldwell have sold their interests in the Brisbin mines to parties who reside in that vicinity. Some other changes have been made in other mining operations in this vicinity of which will be given to the public in due time.

The serious illness of Mr. James Freeman, noted in the Curwensville letter Monday evening, resulted in his death, the sad event occurring at his home on Grampian road at eleven o'clock that same evening, he remaining unconscious a greater part of the time until the end relieved him from earthly suffering. Deceased was the youngest son of Richard and Mary Ann Freeman, and was born in Pike township, about two miles from this place on September 24th, 1853. He remained on the farm with his parents until reaching manhood, when he struck out to make a home from himself. He was twice married but the union was short lived, his wife leaving him for no just cause than for merely her own selfishness. His second marriage occurred some years afterwards, choosing this time Miss Edith Hoover, with whom he lived in perfect harmony and contentment until death removed her from his side some five years ago. James Freeman was a hard working man, honest and upright in all of his dealings with his fellow man, which mode of life made for him many firm and true friends who are mourning his sudden end. He is survived by one son and two daughters; also by two brothers and three sisters, viz: John and Newton Freeman, of Grampian; Mrs. Joseph Bloom, Grampian; Mrs. Scott McFadden, this place and Mrs. Emma Luther of Penn township. Deceased was a member of the Methodist church and a Christian. His funeral will be held on Thursday afternoon at two o'clock Rev. J. C. Collins, officiating. Interment in Oak Hill cemetery.

That Wholesome Table Drink

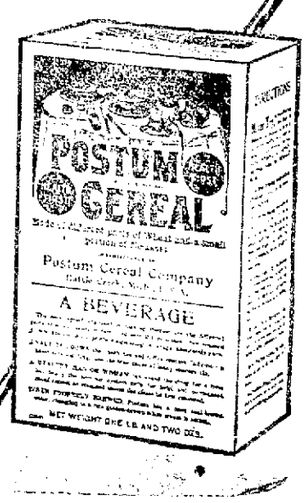
POSTUM CEREAL

gains new friends right along because of its pleasing taste, healthfulness, and saving in cost.

Postum Cereal is delicious when properly made: boil fully fifteen minutes after boiling begins. The more you boil Postum Cereal the better it is.

When ordering be sure to get the original Postum Cereal A 50-cup package usually sells for 25 cents.

Made by Postum Cereal Company, Inc. Battle Creek, Michigan.



NEWS OF OUR NEIGHBORS

CURWENSVILLE

Monday evening was the time set for the regular monthly council meeting. For some reason or other there was not enough members present to constitute a legal quorum, although there was a vast amount of business to be transacted. Several citizens were present for the purpose of asking council to do some sewage work over on South side. Bruce Draucker was present and asked council for a drain from his property to connect with one lower down the street. He agreed to dig and cover the ditch if borough would buy the terra cotta drain pipe. Referred to drain and sewer committee to report at next meeting. David Hile was present and offered to deed borough some ten feet of ground back of the Catholic church property and in return wanted borough to deed him the same number of feet, by which he could close a part of an alley and open another part. Borough had no jurisdiction in the matter. Also complained of a culvert in rear of his property on South side and wanted borough to take it up as he said it was useless. Also wanted the water taken care of that

For Sick Headache

Constipation, Indigestion, Sour Stomach, Biliousness, Bloating, Gas, Coated Tongue, take that wholesome physic—

FOLEY CATHARTIC TABLETS

Act promptly. Never disappoint. Mild and gentle in action. Do not gripe or nauseate. No costive after effects.

Mrs. Sweet Clary, Ante, Va.: "I had a bad headache and took two Foley Cathartic Tablets. In a short while, my head stopped aching."

Danger Lurks in Dirty Rugs and Carpets

Have Your Floor Coverings Washed and Dried by the Hamilton Beach Method on Your Floors

You would not think of cleaning your linen by a vacuum cleaner or a whisk broom. You'd wash it.

How much more necessary it is that your Rugs and Carpets into which are tramped the dirt, grime and grease of the streets day after day, should be thoroughly washed in order to be cleaned.

Now you may have them washed and dried, sterilized and entirely cleaned by the famous Hamilton Beach Carpet Waher right on your own floors. All the beautiful colors, design and gorgeous patterns that pleased you when you purchased your Rugs will come back to light. You'll have new Rugs for old.

NEWSPAPER OF WEST TELL TALE OF CRUEL CRIME

(Continued From Page One)

Cando. He had read of the murder in the Grand Forks Herald and surmised at once that the dead men might be the two men with whom he had worked during the threshing season thus far.

When he was shown the photographs of the dead men he recognized them immediately and told the sheriff they were brothers named Archie and Earl Fletcher and came from Iowa in a Ford car to work in the harvest fields. They brought with them another young man W. Baas and the three worked together and left together last Sunday morning for Bel court. Baas was the owner of the Lugger automatic, the holster of which was found near the dead men. Each of the dead men had about $200 on his person when they left for the trip that ended for them by losing their lives. The Gazette failed to get the name of the young man who gave the information, but he went to Cando with the sheriff.

There now seems no doubt that the young men were killed for their money, the murderer making his get-a way in the young men's car.

The murderer made an attempt to escape but was arrested and is now in jail awaiting trial for his heinous crime.

(Continued From Page One.)

with a single over second. After Wheat had two strikes and three balls Griffith was out trying to steal second.

Jamison opened the sixth for Brooklyn by going out second to first. Wambsganss out on fly to right. Speaker doubled to left but Smith ended the inning by hitting to first.

Wheat was out on fly to centre. Myers beat out a slow one to third for a hit. Konetchy flew out to left. Kilduff ended the inning with a fly to right.

Gardner started the seventh with a hit to second, which was too hot to handle. Johnston hit to short forcing Gardner at second. Sewell was out on fly to right. O'Neil singled to left, Johnston stopping at second. Graney was put in to pinch for Bagby and fanned.

Uhle went to the mound for Cleveland and fanned Miller, first man up for Brooklyn. Grimes was out on fly to right. Olson also went out by the strikeout route.

Jamieson started the eighth for Cleveland by getting a base on balls. Burns took Wambsganss place at bat and was given his base also. Speaker hit to second and was thrown out at first, both base runners advancing. Smith fouled out to the catcher. Gardner was given his base and W. Johnston hit to second forcing Gardner at second.

J. Johnston was out on fly to short. Griffith fanned. Wheat went out on fly to left.

Sewell opened the ninth for Cleveland by grounding out to first. O'Neil went out on a fly to right. Nunamaker batted for Uhle and singled to center. Jamieson ended the game by flying out to left.

The final score was Brooklyn 3; Cleveland, 0.

BABY NAMED LYDIA E.

Because Her Mother Was Made Well by Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N. Y.—"I could not write all my thanks for your blessed medicine, Lydia E. Pinkham's Vegetable Compound. I was in a very bad condition and had lost two babies. One of my good friends told me about Lydia E. Pinkham's Vegetable Compound and after I had taken eight or ten bottles I felt like a different woman. I kept on taking it until my baby girl was born last month and we have had her christened Lydia Elizabeth. I wish you to publish my letter to benefit other women who are suffering as I was."—Mrs. KATHERINE KURBACKER, 1080 Manhattan Avenue, Brooklyn, N. Y.

Women who suffer from any feminine ailment should not lose hope until they have tried Lydia E. Pinkham's Vegetable Compound.

The many convincing testimonials constantly published in the newspapers ought to be proof enough for women who suffer from those distressing ills peculiar to their sex that Lydia E. Pinkham's Vegetable Compound is the medicine they need.

Sold at all drug stores.

The KITCHEN CABINET

Have you the wealth of a sound mind, a strong body, and a pure soul? What great possessions are yours! May the gold within you be a blessing to all the world—you cannot be too lavish with it, keep giving it away; put it out at intervals and it will double its value in a short time.

DESSERTS, SUITABLE FOR THE SEASON.

Fruit juices thickened with gelatin are favorite desserts for warm weather as they are both appetizing and sufficiently satisfying after a hearty meal has been eaten.

Snow Pudding.—Soak one and one-fourth tablespoonfuls of gelatin in one-fourth cupful of cold water fifteen minutes, then dissolve in one cupful of boiling water, add one cupful of sugar and one-fourth cupful of lemon juice. Stir until the sugar is dissolved, then strain into a large bowl, and set in ice water to cool, stirring occasionally. Beat the whites of three eggs until stiff and when the gelatin begins to thicken add the beaten whites and beat together until very light. When stiff enough to mold pour into a mold which has been rinsed with cold water. Make a boiled custard, using the yolks of the eggs well beaten, three tablespoonfuls of sugar, one-half teaspoonful of salt, a pint of hot milk; cook until smooth and flavor when cool with vanilla. Unmold the pudding, pour the sauce around it and serve.

Gateau de Princess.—Bake a sponge cake in two jelly cake tins. Cut the center from one cake, leaving a rim one and one-half inches wide. Cover the cake with jelly, jam, fresh berries sweetened or with sliced fruit. Place the rim over the cake and frost the rim if desired or decorate with whipped cream.

Orange Ice.—Make a sirup, using four cupfuls of water to two of sugar, boiling twenty minutes, add two cupfuls of orange juice, one-fourth cupful of lemon juice and the grated rind of two oranges; cool, strain and freeze.

When using only a small amount in the freezer the ice need not fill the freezer, only come well above the mixture in the can.

Emergency Salad.—Take two parts of cabbage and one part tart apple, run through a meat chopper, season with salt, pepper, minced green onion, celery or green pepper.

Nellie Maxwell

Freeman Graham of Parsons, W. Va., spent the week end with his father the venerable William Graham in the Fourth Ward.

MANY LIKE THIS IN CLEARFIELD

Similar Cases Being Published In Each Issue

The following case is but one of many occurring daily in Clearfield. It is an easy matter to verify it. You cannot ask for better proof.

F. R. Waple, 422 West Front St., Clearfield, says: "Some time ago, I was troubled with a bad pain in the small of my back which caused me a lot of distress. I also had severe headaches and a lame and tired feeling all over. I purchased a box of Doan's Kidney Pills and found them to do me a lot of good from the start. Two boxes of this medicine fixed me up in fine shape. Since then, when I have had an attack of that kind, I have used Doan's and have always found them to bring good results."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Waple had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Mrs. Harry Evans and mother, Mrs. Mary Gearhart are visiting with relatives in Phillipsburg.

Mrs. F. D. Yarnell of Johnsonburg, has returned home after spending the week with relatives and friends in Clearfield.

C. H. S. FOOTBALL NOTES

By Dick Leipold.

Coach Heisey is working the squad hard this week in preparation for the game with Huntington H. S. at Huntingdon next Saturday; altho the followers of the Red and Black eleven are confident of a decisive victory, Coach Heisey is "ironing out" every obstacle that would retard the onward tread of his victorious "tank"

Newt Norris, varsity end, has not been in uniform this week, as the result of a minor injury received in the Kane H. S. game.

Blair Mann, Bruce Norris and R. K. Nelsen have been kept out of active scrimmage on account of bruises and bumps received in Saturday's conflict, but will be able to play in next Saturday's game.

The squad started work on the tackling dummy yesterday afternoon and from the manner in which the players hit that dummy it looks bad for the opponents of "Heisey's Hard Hitters" when they are on the offensive.

"The "scrubs" have been showing real class this week. They managed to score a touchdown on the Varsity Monday's scrimmage.

Try a want-ad.

FAMOUS NERV-WORTH WILL BE INTRODUCED HERE

SOME FACTS YOU SHOULD KNOW

For ten years Nerv-Worth has been giving entire satisfaction wherever sold.

Public faith is strengthened by the maker's guarantee—**YOUR MONEY BACK IF YOUR FIRST BOTTLE DOES NOT PRODUCE BENEFITS.**

Nerv-Worth is endorsed and recommended by Doctors, Druggists, Preachers, Judges, City Officials, Public Performers, and people from all walks of life, millions of whom have received wonderful benefits.

The majority of ills are said to be due to nervous afflictons and digestive disorders. Nerv-Worth successfully gives benefits because it acts on both **NERVE** and **STOMACH** disorders and thus gives results where others fail.

Nerv-Worth is made in our own sanitary laboratories after a scientific formula,, and contains extracts of roots and plants, which for years have been considered of highest value by medical science. It complies with all Pure Food and Drug Laws of the United States.

DR. G. W. ADAMS said

"I can recommend Nerv-Worth for nervousness and indigestion, or any ills which attend neurasthenia."

If you are run down, half sick, nervous and irritable, or if you are sleeples, have a sour breath, suffer from gas on the stomach, belching, somach pains, nervous moodines, or depressions, take Nerv-Worh and let it help restore you.

DR. N. B. FERGUSON said

"Nerv-Worth is truly a great remedy. I have tested it professionally in my practice and actually and practically in my family. It gives me pleasure to recommend it to the general public It, in my opinion, will prove a great boon to the sufferers for the troubles for which it is intended to be an ameliorative remedy."

CAPTAIN MITCHELL OF CORRY TELLS AN INTERESTING STORY

Gives Convincing Proof in His Statement That Nerv-Worth Quickly Produces Results.

"I was nervous and couldn't get any regular all night sleep," said Captain Mitchell, in a letter given the other day. "I would wake up all through the night and get up in the morning feeling tired. I saw Nerv-Worth advertised, and I thought I'd try it. I am now on my second bottle and think it is one fine medicine. I feel more rested and sleep better than for a long time." Captain Mitchell is 80 years of age and is one of the prominent citizens of Corry. Two years ago as his friends know, he went on crutches and suffered from neuritis. He was left in a weak and nervous condition, and as his statement shows, Nerv-Worth has done wonders fo him. His statement offers the most convincing proof of this medicine's merits. If you suffer from any sort of nervous troube, sleeplessness, lack of nerve force, or a run down condition, or if your stomach and digestive system are out of order, give Nerv-Worth a trial, and if your first trial bottle doesn't benefit you, your money will be refunded. If you give it a trial however, you will find, as Captain Mitchell found, that Nerv-Worth does the work. See the specialist at Stewart's. Learn all about this famous remedy.

CAMPAIGN ON AT STEWART'S DRUG STORE

Special Demonstration of this famous Family Tonic

People of this city are getting an excellent opportunity to become acquainted with this justly famous home remedy by Stewart's Drug store having secured the services of Mrs. Henry to introduce this remedy to their customers. For many years, Nerv-Worth has been one of the most satisfactory home remedies offered. It has stood the test of time, and given satisfactory results wherever used. Millions of botles sold and the endorsements of thousands of satisfied users offer conclusive proof of this medicine's great merit. Further proof is found in the fact that every first trial bottle is sold on a money back guarantee. If the medicine did not have merit it stands to reason that it could not be sold on those terms. If you suffer from nervous trouble of any sort, sleeplessness, restessness, dizziness, pains in the head, side or back, and a lack of nerve force, or from any sort of stomach trouble such as indigestion, gas on the stomach, biliousness, belching, etc., you will find that Nerv-Worth will quickly give relief and at the same time it tones and invigorates the whole system throughout. Get acquainted with Nerv-Worth today, and you will find it different from anything you have ever tried. Pay a visit to Stewart's Drug Store. It will be worth your while.

Call at the Stewart Drug Store Today for a Free Sample Talk with the Specialist There Be Sure It's Nerv-Worth That You Make Your Tonic

UNIVERSAL SATISFACTION THROUGH MANY YEARS OFFERS BEST PROOF OF RELIABILITY

Nerv-Worth Has Stood the Test of Time and for Years Has Been Producing the Desired Results Every Place It Has Been Used. When You Spend Your Money for Medicine, You Want to Know That You Are Going to Get Results. Endorsements from People from Around Home and from Distant Parts of the Country Prove That it Does the Work, and Further Proof is Found in the Fact That It is Sold on a Money-Back Guarantee.

In justice to yourself you cannot afford to take chances with new and untried preparations. When you purchase a remedy you want something that will do the work and relieve your suffering. Nerv-Worth has given satisfactory service for many years, and has become the old reliable staple home remedy. It has proved by trial to be one of the greatest boons to sufferers that has yet been offered. It has proved by its own work and by actual results to give entire satisfaction. It bears the endorsement of physicians and druggists as well as those to whom it has given relief and health. Letters from people in your neighborhood and from people throughout the country tell the convincing story of how Nerv-Worth has given results when everything else has failed. Read what some of these people say in the following endorsements selected at random from the millions on file at the Nerv-Worth office.

"I cannot fully express my gratitude for the wonderful merits of Nerv-Worth and its prompt action," said Louisa Beaver, 430 Homeview Ave., Springfield, Ohio.

"I have taken two bottles of Nerv-Worth and I've seen a wonderful change. I will recommend it to the highest to anyone," said I. C Sikes, Cochranton, Pa.

"I am gaining strength and weight and am now in my normal condition, since taking Nerv-Worth," said Mrs. P. J. Wagner, 111 Livingston Ave., Dayton, Ohio.

"I have used Nerv-Worth and think it is the best tonic I have ever found," said Mrs. Fred W. Carpenter, Van-Tassel, Wyo.

"I have gained seven pounds in weight and am feeling strong and vigorous since taking one bottle of Nerv-Worth," said Leonard Perkins, 209 E. Gay St., Columbus, Ohio.

"Nerv-Worth has made me feel like a new person," Harry F. Hann, 218 S. 11th St., Independence, Kan.

"Nerv-Worth is one remedy that gives results quickly. It is a medicine of real merit," said Mrs. W. H. Parker, Kalamazoo, Mich.

"I am happy to say that Nerv-Worth drove rheumatism out of my system and stopped my stomach trouble," says George W Williams, 308 N. Fourth St., Richmond, Ind.

"We keep Nerv-Worth in the house all the time now and wouldn't be without it," said E. R. Gray, Berkley Place, Martinsburg, W. Va.

"I am gaining strength and feel more like myself and I think Nerv-Worth is the greatest medicine I ever knew of, and I cheerfully recommend it," said Mrs. H. A. Heck, 418 Holland St, Erie, Pa.

"I am 77 years of age and have been taking Nerv-Worth and I find that after taking it I feel much better, and my wife has certainly derived a great deal of benefit from the use of Nerv-Worth," said John Maynard, Center St., Catlett-burg, Ky.

"One bottle of Nerv-Worth did me more good than three trips to Hot Springs," said Policeman Clyde Vitte, of Morgantown, W. Va.

The above letters are unsolicited endorsements telling how Nerv-Worth gives the same satisfying results wherever used. If you suffer from indigestion, stomach trouble, sleeplessness, gas on the stomach, impurities, of the blood, lack of nerve force or a general run-down condition, you should try Nerv-Worth. Let it start you on the way to health. It is sold on a money-back guarantee which should convince you that it must do the work otherwise it would not be sold that way. Your druggist sells Nerv-Worth, or if he does not have it, have him order it for you, or write direct to the Nerv-Worth Co., Zanesville, Ohio, who will tell you where you can get it

BROOKLYN TEAM WINS SECOND GAME OF SERIES

NATIONAL LEAGUE CHAMPIONS BEAT PITCHING "ACE"

Manager Robinson's Experts Outplay American League Champs in All Departments

SCORE SHUT-OUT VICTORY

The second game of the world's series opened promptly at 2 o'clock, with Grimes pitching for Brooklyn and Bagby on the mound for Cleveland.

Cleveland was retired in order in the first inning, but in their half the Brooklynites got the edge on the visitors by putting one run across on hits by Wheat and Johnson. Wheat's hit was a double to center.

Both sides were retired without a score in the second.

In the third O'Neil opened for Cleveland and was out pitcher to first Bagby was also thrown out by Grimes. Jamison singled to centre. Wamby was out on fly to left, retiring the side.

For Cleveland Grimes singled to center. Olson hit to the pitcher. Bagby chucking wild to second, both men safe. Johnson fouled out to catcher. Griffith doubled to right, scoring Grimes and Olson went to third on the throw home to catch Grimes. Wheat was given a base on balls. Myers hit to third, forcing Olson at home. O'Neil tried to catch Myers at first. The ball hit him in the back and rolled to right. Griffith attempted to score and was out at the plate. One run.

Speaker was given a base on balls to open the fourth. Smith was out at first, Speaker going to second. Cardner out on fly to third. W. Johnston flied out to left. No runs; one hit; no error.

For Brooklyn Konetchy was out on pop fly to second. Kilduff out on fly to center. Miller was thrown out at first by Grimes. No runs; no hits.

Sewell was out pitcher to first. O'Neil was thrown out at first by Olson. Bagby out on fly to center.

For Cleveland Grimes was thrown out by Sewell. Olson singled to centreJohnston was out at first, Olson going to second. Griffith scored Olson

(Continued On Page Five.)

NEW YORK BROTHER OF McSWINEY DROPS IN ON LORD MAYOR

LONDON, Oct. 6.—Terence McSwiney was overcome with joy today when his brother Peter arrived from New York. The Lord Mayor, on the 55th day of his hunger strike in Brixton prison, whispered greetings in the ear of his brother and then dropped back on his cot. Peter, who is a shoe cutter in New York, arrived without warning and went to the jail unannounced. The Lord Mayor, opening his eyes, saw the quivering face of a grayheaded man. Smiling slowly he recognized his brother whom he has not seen for 20 years. He whispered greetings and then he was forced to lay back on his cot still cla-ping the hand of his "big brother."

"Terrance was too weak to lift his hand," Peter said." He started to ask me how the strike was regarded in America, but collapsed before I could answer. I am surprised at the attitude of the British government toward my brother. If it had occurred in Armenia or Bulgaria there would be a storm of protest. Occurring right at home, it is not considered seriously."

Peter's arrival was shrouded in mystery. He refused to tell how he accomplished the trip but it was reported he came to London as a sailor and without passports.

McSwiney spent a bad night, according to a Sinn Fein bulletin. His condition changed last night and his pulse was faster.

FAIR BOOSTERS ENCOURAGED BY EXHIBITS

Over Eighteen Hundred Stock, Fruit and Produce Exhibits Were on Exhibition

ONLY WEATHER WASN'T RIGHT

The heavy rains of Thursday and Friday greatly interfered with the success of the Clearfield county fair and disappointed a large crowd of pleasure seekers from every direction throughout this section of the state.

The Clearfield county fair during the past five years, or since the present management has taken charge of the park, has become an institution looked forward to each fall by all those interested in agriculture and stock exhibits and the general entertainment to be found in and about a real old-fashioned county fair.

The Clearfield County Agricultural Society and the Clearfield Park Association started out determined to make the annual Clearfield fair the real feature event of the Fall season in this section of Pennsylvania and how well they are succeeding in their efforts is being demonstrated by the phenomenal growth of the fair each year.

This year the preparations were greater than ever before and the crowds of spectators fortunate enough to attend Tuesday and Wednesday marveled greatly at the immensity of the exhibits and the program provided for the entertainment of visitors.

Indications for Thursday and Friday pointed to the largest crowd of fair visitors ever in Clearfield, but the equinoctial rain which set in Wednesday night and continued intermittently throughout both Thursday and Friday made it simply impossible to attend the fair with any degree of comfort and nullified the sports and outdoor program, with the result that the expected crowd did or could not appear. There was great disappointment on every hand, while the financial loss to the fair management totalled several thousand dollars.

However, despite the inclement weather, several thousand people braved the continuous drizzle on Friday and visited the park, drawn there by the magnificence of the exhibits alone.

In order that all may get some idea of what this year's exhibits and fair consisted of we present the following brief statement concerning the same from L. . Banta, one of the superintendents of that department:

"The Clearfield County Fair is now past history—but we have demonstrated that the citizens of this commonwealth know how to hold a real fair—and it's an agricultural fair in every sense of the word, and this is only possible because there is real co operation throughout the county. The weather was against us—which we could not help—but the fair was ready—and was the largest display ever gathered together in this county There was a total of 1822 separate exhibits in the agricultural classes as follows:

354 Chickens.
162 Rabbits.
27 Guinea Pigs.
2 White Rats.
6 Dogs.
5 Turkeys.
13 Guineas.
4 Ducks.
1 Porcupine.
31 Hogs.
69 Sheep.
34 Horses.
2 Mules.
60 Cattle.

and 1062 exhibits of Fruits, Vegetables and farm products, making a grand total of 1822 in agriculture. Are we downhearted No—we will have a bigger and better fair next year. It won't always rain. Now all together for 1921.

L. A. BANTA."

The above statement tells the whole story and demonstrates just why the Clearfield county fair is once more so firmly established in the good graces and well wishes of the entire people of Clearfield county.

SECRETARY WILSON HAS NO STATEMENT ON HARD COAL WAGE

CANTON, O., Oct. 6.—Wm. B. Wilson, Secretary of Labor, said today he would announce from Washington shortly his position on the request of the committee of Pennsylania anthracite miners to reopen the conference between miners and operators for discussion of the question of a wage scale. Wilson was interviewed by the policy committe yesterday. The committee departed last night intimating that a strike may follow refusal to reopen the wage question. "I will give the matter my serious consideration, Wilson said. I will announce my decision from Washington." Wilson refused to discuss the situation further. Officials of District No. 9 of the Pennsylvania anthracite field charge they are being discriminated against.

WASHINGTON, Oct. 6.—President Wilson will await advices from Secretary of Labor Wilson before acting on the appeal of the anthracite coal miners for a readjustment of their present wage scale, according to White House officials today. The Secretary of Labor met with the policy committee of the miners in Canton and is expected to give the President a report on the proceedings with recommendations for action. The President previously refused to reopen the wage award made by the wage scale commission while many of the miners were on an outlaw strike.

U. S. COURT UPHOLDS HAYWOOD SENTENCE

CHICAGO, Oct. 5.—The United States Circuit Court of Appeals handed down a decision today upholding the conviction of William D. Haywood and 93 others who were found guilty and sentenced to prison for obstructing the draft law during the war. Two counts were thrown out by the Appellate court but in all others the decission of the lower court was affirmed.

Haywood and most of the other defendants have been at liberty under bonds for more than a year pending hearing of their appeal.

CHANGE IN STATE POLICE.

Corporal Hoffman and Troopers Underwood and Goldbery of the State police, who had been located in Clearfield for the past six months or more, have been recalled to the barracks at Butler. Corporal Jones and two men, formerly located at Oil City replace the three men recalled and with Trooper Keogh will make up the detail located here.

HYDE CITY BEAR HUNTERS.

C. R. Fullerton, G. F. Peasley, T. Duttry and M. Ludwig, a bunch of Hyde City Nimrods are getting ready to go up into Potter County on a bear hunt. There are so many black bears in Potter county this year that the State Game Commission was induced to let down the bars of the game laws and each hunter may kill two bears in Potter county this fall—if he sees them and don't lose his nerve.

The Hyde City hunters will leave for Potter County next week. They received a trained bear hound from Kentuckey yesterday and are going after bruin in style.

The Agricultural Society and the Park Association are making the Clearfield County fair a real agricultural exhibition. That is what the people wanted and they are showing their appreciation of that fact.

While not making any money this year the Park Association is far from being discouraged and are already planning and building for bigger things for next year.

It is proposed to completely remodel the rear of the park grounds by greatly enlarging the present sheds and buildings as are made necessary by the increasing patronage at the fair.

The Park Association and Agricultural Society are fully deserving of the high compliments being paid them for the character of this year's fair and will endeavor, with the co-operation of our people generally, to make next year's exhibition even bigger and better.

Action Speaks Louder Than the Platform

Reproduced by permission New York Tribune, Inc., Copyrighted 1920.

TWO BABIES IN SAME FAMILY DIE WITHIN JUST FOUR DAYS

Death entered the home of Mr. and Mrs. Elmer Johnston on Dorey street last evening for the second time inside of four days and removed therefrom their bright little sixteen months old daughter, Elsie.

On Saturday noon last their infant son Victor died as the result of an attack of cholera infantum and was buried in Hillcrest cemetery on Sunday afternoon. Little Elsie was stricken with the same disease and taken to the Clearfield Hispital for treatment, but medical skill was of no avail and the little soul winged its silent flight to that better world last evening. Funeral services will be held at the Johnston home tomorrow morning at 11 o'clock.

Mr. and Mrs. Johnston have the sympathy of the entire community in their double bereavement.

LOTS OF HUNTERS THIS YEAR.

Up to 3 o'clock on Tuesday afternoon County Treasurer A. H. Rumberger had issued 2660 hunters licenses to Clearfield county hunters.

The total number of hunters licenses issued in Clearfield county last year was 8941. Of this number about 125 were for non-resident hunters.

THE WORLD'S SERISS BY WIRELESS.

The world's series games between Cleveland and Brooklyn will be received daily play by play by wireless and bulletins pasted after each inning in front of Leitzinger Bros store on Market street.

The wireless is being operated by "Ted" Leitzinger and will be the only detail serivce in Clearfield, it being impossible to get a wire through to the electric scale board at the Y. M. C. A.

CHRISTIAN AND MISSIONARY ALLIANCE TENT SERVICES CLOSE.

The service of the full Gospel tent tabernackle meeting, located on River street near Nichols street bridge, closed with the Blessing of God on the deliberation of the old-time Gospel in the old-time way. Which is the Power of God into Salvation to "Every one that believe, to the Jew first, then to the Greek, Romans1.16." These meetings surely prove this statement by the Souls that have Confessed Christ as their personal Savior.

LEGION BAND WILL GIVE A CONCERT IN NEAR FUTURE

The American Legion band, under the very capable direction of Prof. H. Clark Thayer, is rapidly rounding into form and may soon be heard on our streets. The band is practicing two nights a week now and is showing the good effect of the extra work.

The band members were measured for their uniforms last night and it is expected that the uniforms will arrive here about the 15th of October.

There were twenty members at practice last evening and it is hoped the full membership of thirty will be out to rehearse Friday evening.

The band is arranging for an opera and concert to be put on shortly after the uniforms arrive.

BRANTNER-THORBURN

Martin P. Brantner and Miss Anna C. Thorburn both of Clearfield were united in marriage yesterday morning at the West Side Methodist parsonage by the Rev. C. C. Snavely. Their many friends wish them happiness.

And those that have believed and received the Holy Ghost acts 19:2 the sick healed according to Janes: 14-15 and 14 of these by following the Lord in Baptism in the Susquehanna River yesterday afternoon.

A full Gospel service will be held in the Hall of the Susquehanna College of Music, located on Locust street Sunday afternoon at 2:30 and in the evening at 7:30 under the auspices of the Christian and Missionary Alliance.

A cordial welcome to all to come and hear the truth.

NEWSPAPER OF WEST TELL TALE OF CRUEL CRIME

Fletcher Boys Beaten, Shot and Robbed, According to Details Just Received

BOTH FOUGHT DESPERATELY

The Bishee Gazette, of Bishee, North Dakota, had the following stories concerning the murder and robbery of Archie and Earl Fletcher, sons of James Fletcher, whose dead bodies were found near Bishee on the morning of Sept 20th last:

"Monday at noon a telephone message notified the county coroner that two men were found dead near Lake View school house No. 3. State Atty. Mosely, the coronor and depyt. sheriff Moylan went from here to investigate and hold an inquest. The bodies were found near School No. 3, in Lake View district. When the officials arrived there was a large crowd of people there who had come to view the bodies with a view of identification.

From appearance there had been a teriffic fight before the men had been pounded and shot to death. The men had been hit on the head, supposedly with a heavy machine hammer which was found near by, as was also the holster of an automatic revolver. The holster bore the trade mark of some German firm and also the name "Bernhard Heinr. Geyer." Both men had bullet holes through their bodies near the heart region. Splotches of blood were here and there near where one of the bodies lay.

A Coroners jury was sworn in and the bodies were thoroughly examined by the jury and Doctors Swenson and Widmeyer.

The bodies lay about 600 feet apart, a trail of blood leading from one to the other, indicating that one man had been shot and then ran, or was shot while in the act of running, and was overtaken by the murderer and hit with the hammer. This man had his skull crushed, and was shot through one lung the bullet entering from the back. The other man was shot twice, one bullet entering at the right cheek and one at his breast passing through his heart.

The men were clad with clothes of fairly good make, but all clothing was absolutely clean as though recently laundried. Little of value was found on the bodies, less than one dollar in money, but a number of such things as a person usually carries who drives an automobile, such as valve springs, tester and such like.

The inquest adjourned to Tuesday afternoon, and the bodies brought to Bisbee and prepared for burial.

The coronors jury, after hearing all the evidence, which was most meagre returned a verdict that the men came to their deaths by gun shot and other wounds inflicted by some person or person unknown.

Theories as to who the men are and why they were killed vary. Some incline to the belief that the motive was robbery, others that the men owned a car and were killed to get the car.

The murdered men were given a decent burial here Tuesday evening the condition of the bodies being such that made early interment imperative Rev. Helseth accompanied the remains to the cemetery and gave them Christian burial.

Killed For Their Money.

Sheriff Oakland seems to have had the correct hunch Wednesday morning when he started out to trail the murderer of the Lakeview victims.

After the inquest Tuesday he met M. Small of Mylo and he told the sheriff that he had not only seen but talked to the dead men at or near Belcourt on Sunday afternoon They told him they had been threshing near Calvin and were going back to that place and then start for their home in Iowa.

The sheriff concluded to investigate that clue and started out Wednesday morning When he reached Egeland he met a young man who had come from Calvin and was on his way to

EVERY CITIZEN SHOULD ANSWER THIS SUMMONS

Public Mass Meeting Called to be Held at High School Auditorium Friday Night

BEGINS HOSIPTAL CAMPAIGN

Doubtless you recall the motoring farmer—Tud Junkins or somebody—who replied, when asked whether he were voting for Harding or Cox, that he rather thought he'd vote for that man Detour, as he had seen his signs all around and he was putting on a big campaign.

Well, if anybody asks what you're going to do on Friday evening, just tell 'em that you vote for attending the mass meeting for the Clearfield Hospital because it's putting on a big campaign.

Seriously, folks, there's going to be a mass meeting in the High School Auditorium at 7:30 o'clock Friday evening that is fraught with meaning for every man and woman in Clearfield county. It is the mass meeting which it to launch the county-wide drive for a $200,000 maintenance, endowment and building fund for the new Clearfield General Hospital.

"Attend it, not only for the enjoyment you will derive, but as a matter of civic loyalty," is the plea of the prominent Clearfielders backing the big drive. "Let it be such a mass meeting as only the people of Clearfield county can stage when, as a unit, they get back of a vast public project. We promise an enjoyable evening—arrangements have been made to that end—and we want EVERYBODY to turn out. We're going with our wives and families. Our friends are going to take their families. We want this mass meeting Friday evening to be one big jolly reunion of the good old Clearfield family.

"The program includes among other things, singing by a quartet who won things, singing by a quartet who have won particular praise wherever they have sung; music by one of the best orchestras in the region, which is preparing a special program for the occasion; and two of the best public speakers in the State of Pennsylvania—Judge Singleton Bell and A. M. Woodward, attorney-at-law. Dr. S. J. Miller of Madera will preside. Now let's pack the auditorium!"

"And say, "murmured one of the executives to a representative of The Progress, "let the people know that we're going to have some good news to tell them at the meeting. Nope, can't tell it until the meeting."

Actual canvassing will not begin until Monday, October 11, but the meeting will mark the formal opening of the campaign. It is likely arrangements will be made for extra bus service to bring in the people from Curwensville and other points.

P. T. Davis, Clearfield borough chairman, and his four ward chairmen met last night at campaign headquarters in the Murray building and went over plans for making the canvass of the city thorough and detailed. All were enthusiastic; and there is manifestations already of the "over-the-top" spirit.

ATTENDING STATE FIREMEN'S CONVENTION.

Messrs. H. G. Ogden, Charles LaBarr, L. C.Weise, W. H. Sutton and R. E. Whitehill left Monday morning for Allentown to attend the State Firemen's convention in sesion there this week.

ANOTHER WRESTLER AT BOARD. MAN.

Frisk, of Austria, the Tioga county "strong boy", who recently met defeat in a wrestling bout at the hands of Leslie Roberts, the well-known Clearfield county champ., has secured employment in the mines at Boardman and will attach himself to Kotzman's stable of athletes.

Miss Dolly Lockard has returned from spending a few days in Surveyor.

Mr. and Mrs. William Polkingham of Woodland, were shopping in Clearfield yesterday.

MAKING WAR ON DISEASE MENACE

American Red Cross Announces Budget of $48,200,000 For Current Year.

NEW DISASTER RELIEF PLAN.

Continuance of Heavy Work Abroad Deemed Necessary to Protect United States—$21,000,000 Less Than Last Year.

A program of relief and service toward which appropriations of $48,200,000 have been made has been outlined for the American Red Cross for the fiscal year, July 1, 1920, to July 1, 1921, according to official announcement by national headquarters of the organization at Washington. The figures for 1920-21 are $21,000,000 below those of 1919-20, in which $69,400,000 was spent.

Important among the items of the budget for the present year is the appropriation of $31,500,000 for relief in foreign lands, which includes $11,000,000 in purchased supplies on hand and not distributed.

Must Protect United States.

This will enable the American Red Cross to continue its humanitarian effort to aid stricken peoples to re-establish themselves, to fight the disease epidemics which threaten many countries and to efface largely the remaining traces of the blight left by the World War. It is regarded as social as well as physical sanitation on a large scale that will have a direct bearing on future conditions in America.

Central Europe, the chief sufferer from the conflict, today is facing another winter of famine, pestilence and ruin. Typhus decreased much during the summer months where last winter it had its greatest stronghold, but physicians who investigated the situation at the behest of the League of Red Cross Societies have given their unqualified opinion that this coming winter will see a recurrence on an unprecedented scale. The Red Cross feels it must continue preventive measures abroad to keep this and other deadly maladies from the United States.

Millions for Work at Home.

When the disease was sweeping Central Europe last winter the American Red Cross, with the aid of the governments of afflicted nations, undertook the fight against it. Hospitals were established wherever possible and food and clothing were distributed to the undernourished populations, who by reason of their undernourishment were easy prey to the epidemics. Where disorganization contributed last year to the great inroads made by the disease, by virtue of its knowledge of the disease and the presence of well established hospital centers, the American Red Cross this year will undertake the work with a new confidence.

Including the total of $11,000,000 in supplies left from the last fiscal year, the $31,500,000 is $21,000,000 less than the expenditures for 1919-20.

Appropriations for domestic activities total $16,700,000.

The largest item of this "home" budget is $7,800,000 for civilian relief work. This includes service and assistance for families of soldiers, sailors and marines, and work incidental to disaster. Of the total appropriation for civilian relief, $5,000,000 is held in reserve for the carrying out of actual disaster relief.

Reduced Overhead Expense.

The Red Cross invariably is the first thought of a community visited by calamity. With this in mind, it was determined by the Executive Committee in preparing the budget of 1919-20 to have a fixed reserve fund from which to draw in these instances.

For assistance to soldiers, sailors and marines in hospitals and in camps this year $1,900,000 has been set aside. Four million two hundred thousand dollars has been appropriated for improvement of health and prevention of disease throughout the United States during the current twelve months. The Red Cross is co-operating fully with the United States Health Service in this work and through its Junior Red Cross is doing much to spread among children the principles of sanitation. An appropriation of $1,000,000 has been made for developing the peace time program of the Red Cross by service to its chapters in all regions.

The appropriation of $48,200,000 is exclusive of the local expenditures of the 3,000 or more chapters.

Administration expenses this year will be $1,800,000. Last year they were $2,300,000.

Don't Wait

for workers to come and ask you for a renewal of your membership. Send in your dollar to the nearest local chapter of the American Red Cross. Welcome the opportunity and privilege of repledging your fellowship by promptly answering the

Fourth Roll Call
November 11—25, 1920

As to Immortality.

If I am wrong in thinking the human soul immortal, I am glad to be wrong, nor will I allow the mistake which gives me so much pleasure to be wrested from me as long as I live. But if when dead as some insignificant philosophers think, I am to be without sensation, I am not afraid of dead philosophers deriding my errors. Again, if we are not to be immortal, it is nevertheless what a man must wish—to have his life end at its proper time. For nature puts a limit to living as to everything else.—Cicero "On Old Age."

Cork-Wood Production.

The total world production of cork wood is estimated at 396,832,000 pounds, of which 45 per cent is produced in Portugal, 30 per cent in Spain, 20 per cent in Algeria and Tunis, and 5 per cent in France and Italy.

Shock of Explosion Carried Far.

Five tons of nitroglycerin exploded in a powder mill in Canada, and incidentally shattered every pane of glass in the windows of a train crossing a bridge over the Richelieu river, more than a mile away.

Receive What We Give.

When some one asks you, "How is the world treating you?" did you ever stop to consider that your answer is invariably in accordance with the way you've been treating the world? You cannot go around with a grouch on and expect the world or the people in it to be any too pleasant to you. We get "what's coming to us"—every time.

Oxford University.

There are legendary stories of the university's formation by King Alfred. As early as 1117 there are notices of continental scholars lecturing at Oxford, and it was certainly a center of learning in 1185. Cambridge is probably almost as old, although its origin is also obscure.

Original "Humpty Dumpty."

The original of the Mother Goose melody was a satire on James II of England, who fled for aid to the court of Louis XIV of France, then the most powerful monarch of Europe, but "all the king's horses and all the king's men couldn't put Humpty Dumpty together again."

Commercial Night School will begin Tuesday evening, October 12. 16j5-6tc

Many Shoes Made From One.

When a Mexican automobile refuses to wear an old shoe any longer, the shoe is sold for a few cents to a poor native; whereupon he and his family wear it. He cuts the shoe into thick slices which vary according to the size of the family's feet; thus out of one shoe he makes many. They retain their natural shape and are bound around the feet with thongs. In rainy weather nonskid shoes are worn by some of the more prosperous natives. —Popular Science Monthly.

"Index Numbers."

The "index number" is a well-established device commonly used for measuring changes in wholesale and retail prices and rates of wages over long periods of time. It is constructed by securing each month the prices or rates of a uniform list, at certain specified places, and striking an average. Such numbers are usually reduced to percentages. The lowest price known is sometimes taken as a base, or as in case of investment stocks, 100 is used.

A Long Farewell.

"Farewell! Thou are too dear for my possessing," sighed Jones, quoting from Shakespeare, as he left his automobile with the second-hand dealer.—Boston Transcript.

TWO YEARS IN BED AND ROLLING CHAIR

Mrs. Wilson Had Given Up All Hope of Ever Getting Well—Takes Tanlac And Now Feels Well As Ever in Her Life

"For two years I spent all my time either in the hospital in bed, or in a rolling chair, and during that time I was given up to die, and I don't guess I would be here now if it hadn't been for Tanlac," said Mrs. E. O. Wilson. Mrs. Wilson is well known in Atlanta, Ga., her husband having been employed by The Constitution for a number of years.

"I was a great sufferer from chronic indigestion," continued Mrs. Wilson, "and don't guess anybody ever had to go through with what I did. I was very weak and nervous, and at times had those dreadful smothering sensations to the point of fainting. I had dreadful headaches, severe pains in my back and over my kidneys and my joints ached all the time. For two years I had to live entirely on boiled milk, toast and soft boiled eggs, and even that didn't digest well and would sour on my stomach. I didn't know what it was to get a good night's sleep. I took one kind of medicine after another until our house was almost filled with empty bottles, but instead of improving I was getting worse all the time. Finally they took me to the hospital for treatment, and I lay there for five long months, but even that didn't make me well. It was taking nearly every cent of my husband's wages to pay my doctor and drug bills—our drug bill alone amounted to $14 or $15 a month, and one doctor bill amounted to $108.

"It looked like everything had failed to help me, and I had about given up all hope when one day my husband brought a bottle of Tanlac home with him and asked me to take it. He said he had been reading and hearing a lot of good things about it and didn't see any reason why it shouldn't help me. I was confined to my rolling chair when I began taking it.

"Do I look like an invalid now. I certainly don't feel like one, and I actually gained twenty-five (26) pounds on eleven bottles of Tanlac, and feel as well as I ever did in my life. I can eat anything I want—such things as meat, turnips. Hardboiled eggs don't hurt me a particle, and I sleep as good as I did when I was a girl in my teens. I can get about as well as anybody and just the other day I walked down town, and I am running around the neighborhood calling on my friends nearly all the time now. I haven't a pain about me. I believe I am the happiest woman in Atlanta, and I think I have a right to be. I think my recovery is almost a miracle, and everybody in our neighborhood thinks the same."

Tanlac is sold by all leading druggists.

You Don't Have To Worry About The Price— Not Of This Coat

Just slip into it. Chances are you never felt "more in an overcoat."

Finely tailored, honest fabric of all-wool, warm, durable, of latest line, just right in length and in weight.

Be Pretty! Turn Gray Hair Dark

Look Young! Nobody can tell if you use Grandmother's simple recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur properly compounded brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get his mixtue was to make it at home which is mussy and troublesome Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this famous old recipe improved by the addition of other ingredients at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Try a want-ad.

CURWENSVILLE

The indoor picnic held in the basement parlors of the Methodist church last evening by the ladies' adult bible class and their guests, terminated in a most enjoyable and social affair, everybody having a good time. Almost one hundred persons were present and partook of the refreshments, which were appetizing and plentiful. As one fellow said, who was never known to miss any gathering where cake and ice cream was to be had, "It was indeed good to be there and enjoy the company of the ladies and the feed they set up for one to stuff himself with."

A foot ball squad, composed of youths of about sixteen years of age, are greatly excited over a proposed game of "rough and tumble" with a squad hailing form the county seat, and advertised to come off at Athletic Park grounds next Saturday afternoon.

The hot water furnace in the residence of Dr. Jenkins played him a scurvy trick during one of the cold nights last week. He had just started her agoing to warm up his home a little, when "bish" a whole section sprung aleak. The break will necessitate the Dr. purchasing a new furnace as the model he had is out of the market and can not be had. He is now heating with oil stoves, etc.

Didn't Have the Price.

Returning home from the dentist's, where he had gone to have a loose tooth drawn, Ide Raymond reported as follows: "The doctor told me before he began that if I cried or screamed it would cost me a dollar, but if I was a good boy it would be only 50 cents. "Did you scream?" his mother asked. "How could I?" answered Ray; "you only get me 50 cents."

LESSONS IN OPTOMETRY

HARRY H. ROSENTHAL, O. D., WOOLREDGE BUILDING, CLEARFIELD, PA.

LESSON NO. TWO.

The last lesson spoke of increased efficiency as the result of improved vision. Explain.

By overcoming the optical defects by the use of glasses eye strain with all its undesirable results is eliminated, with the benefits described.

Who should be entrusted with the duty of determinng optical defects?

An Optometrist.

What is the most important duty that an Optometrist performs?

Refracting the eyes.

What is meant by refrecting?

Measuring the character and extent of the defects of vision.

Is an Optometrist entitled to charge for this service?

Yes, as his ability to perform this duty accurately is his most valuable asset.

Should Be "Brow-Study."

The application of the term "brown-study" to a state of mental abstraction or meditation is said by some writers to be a misnomer, as the real term is "brow-study." It is, however, more probably one of a group of similar phrases in which colors are employed to designate characteristics or temper, as "black melancholy," "blue-devils," "green-eyed monster," "yellow-stocking," "blue-stockings," "white-feather," and a number of like terms in common use.

Come in and see a New Edison *which bears a* CERTIFICATE *of* AUTHENTICITY

Signed by Cecil Arden

(only 10 of these Official Laboratory Models in our store)

MISS ARDEN has pronounced them exact duplicates in tonal quality of the instrument used at High School Auditorium and capable of sustaining with absolute success the same test of direct comparison with her living voice. By signing this Certificate, she declares them equal, in every respect, to the instrument which stood beside her Monday night on the stage at the High School Auditorium and amazed all Clearfield.

Let us show you and play for you these Official Laboratory Models, which have proved their supreme realism. Come in today. Remember, we have only 10. We shall deliver with each Official Laboratory Model the Certificate of Authenticity, which this artist has signed for it. You will prize this New Edison above all other musical instruments. It will not only be your means of access to the real voices of the world's great artists, but also a peculiarly precious memento of one of the greatest contraltos of all time.
Ask for the Certified Official Laboratory Model.

Why the Audience at High School Auditorium was so amazed by

The NEW EDISON

"The Phonograph With A Soul"

This was the test made by Miss Arden last Monday at the High School Auditorium.

She sang. Suddenly she ceased to sing and the New Edison took up the same song alone.

No one in the audience was able to tell Miss Arden's living voice from its Re-Creation by the New Edison.

The phonograph has achieved that marvel of marvels—perfect realism!

Why not let us deliver today one of these New Edisons with Certificate of Authenticity? You can arrange the payment any way you desire. Step in, or telephone. There's no time to lose.

BROWN'S BOOT SHOP
CLEARFIELD, PA.
Punxsutawney DuBois Indiana

stood in rear of his stable. This was also referred to sewage committee. Mr. Fredrick, representing the Raftsman Water Company, was present with new contracts, but as only two councilmen were present nothing more was done than to merely read them over and discuss them point by point. Adjourned.

Mr. William Bowers left for Pittsburgh yesterday on a business trip, and while in the city will spend a short time with a sister.

Mr. Daniel Jones left for Salem, N. J., Monday, having been called to that city owing to the illness of his only sister, Eliza. He was accompanied by Miss Orrie Jones, a niece.

Born, to Mr. and Mrs. Calvin Parris, at their home in Naulton, Pike township, on Tuesday morning, a son.

J. Alton Shoff, athletic manager of the American Legion post, has issued a call to all who wish to become members of a football squad. The meeting will be held this evening at 7:30 o'clock, when it is expected that a full team will be organized.

Monday we noted the sale of Merritt Caldwell's interest in the Wiley Coal Company. Since that time we are informed that Mr. Caldwell has disposed of his interest in the Cassidy mines to Messrs. O. A. Norris and Howard Thompson, and also that Messrs. Wiley, Norris and Caldwell have sold their interests in the Brisbin mines to parties who reside in that vicinity. Some other changes have been made in other mining operations in this vicinity of which will be given to the public in due time.

The serious illness of Mr. James Freeman, noted in the Curwensville letter Monday evening, resulted in his death, the sad event occurring at his home on Grampian road at eleven o'clock that same evening, he remaining unconscious a greater part of the time until the end relieved him from earthly suffering. Deceased was the youngest son of Richard and Mary Ann Freeman, and was born in Pike township, about two miles from this place on September 24th, 1853. He remained on the farm with his parents until reaching manhood, when he struck out to make a home from himself. He was twice married but the union was short lived, his wife leaving him for no just cause than for merely her own selfishness. His second marriage occurred some years afterwards, choosing this time Miss Edith Hoover, with whom he lived in perfect harmony and contentment until death removed her from his side some five years ago. James Freeman was a hard working man, honest and upright in all of his dealings with his fellow man, which mode of life made for him many firm and true friends who are mourning his sudden end. He is survived by one son and two daughters; also by two brothers and three sisters, viz: John and Newton Freeman, of Grampian; Mrs. Joseph Bloom, Grampian; Mrs. Scott McFadden, this place and Mrs. Emma Luther of Penn township. Deceased was a member of the Methodist church and a Christian. His funeral will be held on Thursday afternoon at two o'clock Rev. J. C. Collins, officiating. Interment in Oak Hill cemetery.

That Wholesome Table Drink
POSTUM CEREAL

gains new friends right along because of its pleasing taste, healthfulness, and saving in cost.

NEWS OF OUR NEIGHBORS

CURWENSVILLE

Monday evening was the time set for the regular monthly council meeting. For some reason or other there was not enough members present to constitute a legal quorum, although there was a vast amount of business to be transacted. Several citizens were present for the purpose of asking council to do some sewage work over on South side. Bruce Draucker was present and asked council for a drain from his property to connect with one lower down the street. He agreed to dig and cover the ditch if borough would buy the terra cotta drain pipe. Referred to drain and sewer committee to report at next meeting. David Hile was present and offered to deed borough some ten feet of ground back of the Catholic church property and in return wanted borough to deed him the same number of feet, by which he could close a part of an alley and open another part. Borough had no jurisdiction in the matter. Also complained of a culvert in rear of his property on South side and wanted borough to take it up as he said it was useless. Also wanted the water taken care of that

For Sick Headache

Apple Crop Important.

No other fruit crop means so much, the country over, as apples do. No other fruit grown in the United States is so universally liked, used and relied upon fall winter and spring. A large apple crop is rich in enjoyment and important as a source of sound health. From every point of view, it is good for the whole country.

Bread in Variety for Foreigners.

In a tour of the various foreign quarters of New York, one may find a variety of breads: Asiatic small-bread, the blood-bread of Scandinavia, the braised-in-oil bean bread of the Japanese, the trepith biscuits of the Mongols. Chain bread comes in links and is the product of the Balkans and South Russia.

A FRIEND OF ours
ASKED US the other day
HOW WE KEPT things clean
IN THE kitchen We
TOLD HIM, "Soap,, water
AND SCRUB." He asked
IF WE CARED to show
HIM. WE WERE sure willing.
HE SAW spotlessness from
THE TIME HE went into
THE KITCHEN until he
CAME OUT.

NEWSPAPER OF WEST TELL TALE OF CRUEL CRIME

(Continued From Page One)

Cando. He had read of the murder in the Grand Forks Herald and surmised at once that the dead men might be the two men with whom he had worked during the threshing season thus far.

When he was shown the photographs of the dead men he recognized them immediately and told the sheriff they were brothers named Archie and Earl Fletcher and came from Iowa in a Ford car to work in the harvest fields. They brought with them another young man W. Baas and the three worked together and left together last Sunday morning for Bel court. Baas was the owner of the Lugger automatic, the holster of which was found near the dead men. Each of the dead men had about $200 on his person when they left for the trip that ended for them by losing their lives. The Gazette failed to get the name of the young man who gave the information, but he went to Cando with the sheriff.

There now seems no doubt that the young men were killed for their money, the murderer making his get-a way in the young men's car.

The murderer made an attempt to escape but was arrested and is now in jail awaiting trial for his heinous crime.

STOCK PRICES.

NATIONAL LEAGUE CHAMPIONS HEAT

(Continued From Page One.)

with a single over second. After Wheat had two strikes and three balls Griffith was out trying to steal second.

Jamison opened the sixth for Brooklyn by going out second to first. Wambsganss out on fly to right. Speaker doubled to left but Smith ended the inning by hitting to first.

Wheat was out on fly to centre. Myers beat out a slow one to third for a hit. Konetchy flew out to left. Kilduff ended the inning with a fly to right.

Gardner started the seventh with a hit to second, which was too hot to handle. Johnston hit to short forcing Gardner at second. Sewell was out on fly to right. O'Neil singled to left, Johnston stopping at second. Graney was put in to pinch for Bagby and fanned.

Uhle went to the mound for Cleveland and fanned Miller, first man up for Brooklyn. Grimes was out on fly to right. Olson also went out by the strikeout route.

Jamieson started the eighth for Cleveland by getting a base on balls. Burns took Wambsganss place at bat and was given his base also. Speaker hit to second and was thrown out at first, both base runners advancing. Smith fouled out to the catcher. Gardner was given his base and W. Johnston hit to second forcing Gardner at second.

J. Johnston was out on fly to short. Griffith fanned. Wheat went out on fly to left.

Sewell opened the ninth for Cleveland by grounding out to first. O'Neil went out on a fly to right. Nunamaker batted for Uhle and singled to center. Jamieson ended the game by flying out to left.

The final score was Brooklyn 3; Cleveland, 0.

Sturdy Sensible Shoes For Everyone

The Fall's the time when you discard the fads and fancies and plan on getting shoes that will stand the gaff of hard wear in all sorts of weather that test the makings of a shoe.

That is the sort of shoes that this store has been specializing in for over sixteen years. These shoes are made "from the ground up" and are of a sort that you'll get not only good wear out of but you'll also have some snap and style.

We do not play to the fads but to folks who want everything for their shoe money that can be gotten.

BABY NAMED LYDIA E.

Because Her Mother Was Made Well by Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N Y —"I could not write all my thanks for your blessed medicine, Lydia E. Pinkham's Vegetable Compound. I was in a very bad condition and had lost two babies. One of my good friends told me about Lydia E. Pinkham's Vegetable Compound and after I had taken eight or ten bottles I felt like a different woman. I kept on taking it until my baby girl was born last month and we have had her christened Lydia Elizabeth. I wish you to publish my letter to benefit other women who are suffering as I was."—Mrs. KATHERINE KURBACKER, 1080 Manhattan Avenue, Brooklyn, N Y.

Women who suffer from any feminine ailment should not lose hope until they have tried Lydia E. Pinkham's Vegetable Compound

The many convincing testimonials constantly published in the newspapers ought to be proof enough for women who suffer from those distressing ills peculiar to their sex that Lydia E. Pinkham's Vegetable Compound is the medicine they need.

Sold at all drug stores.

The KITCHEN CABINET

Have you the wealth of a sound mind, a strong body, and a pure soul? What great possessions are yours! May the gold within you be a blessing to all the world—you cannot be too lavish with it, keep giving it away, put it out at intervals and it will double its value in a short time.

DESSERTS, SUITABLE FOR THE SEASON.

Fruit juices thickened with gelatin are favorite desserts for warm weather as they are both appetizing and sufficiently satisfying after a hearty meal has been eaten.

Snow Pudding.—Soak one and one-fourth tablespoonfuls of gelatin in one fourth cupful of cold water fifteen minutes, then dissolve in one cupful of boiling water, add one cupful of sugar and one-fourth cupful of lemon juice. Stir until the sugar is dissolved, then strain into a large bowl, and set in ice water to cool, stirring occasionally. Beat the whites of three eggs until stiff and when the gelatin begins to thicken add the beaten whites and beat together until very light. When stiff enough to mold pour into a mold which has been rinsed with cold water. Make a boiled custard, using the yolks of the eggs well beaten, three tablespoonfuls of sugar, one-half teaspoonful of salt, a pint of hot milk; cook until smooth and flavor when cool with vanilla. Unmold the pudding, pour the sauce around it and serve.

Gateau de Princess.—Bake a sponge cake in two jelly cake tins. Cut the center from one cake, leaving a rim one and one half inches wide. Cover the cake with jelly, jam, fresh berries sweetened or with sliced fruit. Place the rim over the cake and frost the rim if desired or decorate with whipped cream.

Orange Ice.—Make a sirup, using four cupfuls of water to two of sugar, boiling twenty minutes, add two cupfuls of orange juice, one-fourth cupful of lemon juice and the grated rind of two oranges; cool, strain and freeze.

When using only a small amount in the freezer the ice need not fill the freezer, only come well above the mixture in the can.

Emergency Salad.—Take two parts of cabbage and one part tart apple, run through a meat chopper, season with salt, pepper, minced green onion, celery or green pepper.

Freeman Graham of Parsons, W. Va., spent the week end with his father the venerable William Graham in the Fourth Ward.

MANY LIKE THIS IN CLEARFIELD

Similar Cases Being Published In Each Issue

The following case is but one of many occurring daily in Clearfield. It is an easy matter to verify it. You cannot ask for better proof.

F. R. Waple, 422 West Front St., Clearfield, says: "Some time ago, I was troubled with a bad pain in the small of my back which caused me a lot of distress. I also had severe headaches and a lame and tired feeling all over. I purchased a box of Doan's Kidney Pills and found them to do me a lot of good from the start. Two boxes of this medicine fixed me up in fine shape. Since then, when I have had an attack of that kind, I have used Doan's and have always found them to bring good results."

Price 60c at all dealers Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr Waple had. Foster-Milburn Co., Mfrs., Buffalo, N Y.

Miss Hannah Barton has returned from visiting with friends in Templeton.

Mrs. Harry Evans and mother, Mrs. Mary Gearhart are visiting with relatives in Phillipsburg.

Mrs. F. D. Yarnell of Johnsonburg, has returned home after spending the week with relatives and friends in Clearfield.

C. H. S. FOOTBALL NOTES

By Dick Leipold.

Coach Heisey is working the squad hard this week in preparation for the game with Huntington H. S. at Huntingdon next Saturday; altho the followers of the Red and Black eleven are confident of a decisive victory, Coach Heisey is "ironing out" every obstacle that would retard the onward tread of his victorious "tank"

Newt Norris, varsity end, has not been in uniform this week, as the result of a minor injury received in the Kane H. S. game.

Blair Mann, Bruce Norris and R. K. Nelsen have been kept out of active scrimmage on account of bruises and bumps received in Saturday's conflict, but will be able to play in next Saturday's game.

The squad started work on the tackling dummy yesterday afternoon and from the manner in which the players hit that dummy it looks bad for the opponents of "Heisey's Hard Hitters" when they are on the offensive.

"The "scrubs" have been showing real class this week. They managed to score a touchdown on the Varsity Monday's scrimmage.

Try a want-ad.

Scott & Bowne Bloomfield, N J. 20-16

FAMOUS NERV-WORTH WILL BE INTRODUCED HERE

SOME FACTS YOU SHOULD KNOW

For ten years Nerv-Worth has been giving entire satisfaction wherever sold.

Public faith is strengthened by the maker's guarantee—**YOUR MONEY BACK IF YOUR FIRST BOTTLE DOES NOT PRODUCE BENEFITS.**

Nerv-Worth is endorsed and recommended by Doctors, Druggists, Preachers, Judges, City Officials, Public Performers, and people from all walks of life, millions of whom have received wonderful benefits.

The majority of ills are said to be due to nervous afflictons and digestive disorders. Nerv-Worth successfully gives benefits because it acts on both **NERVE** and **STOMACH** disorders and thus gives results where others fail.

Nerv-Worth is made in our own sanitary laboratories after a scientific formula,, and contains extracts of roots and plants, which for years have been considered of highest value by medical science. It complies with all Pure Food and Drug Laws of the United States.

DR. G. W. ADAMS said

"I can recommend Nerv-Worth for nervousness and indigestion, or any ills which attend neurasthenia."

If you are run down, half sick, nervous and irritable, or if you are sleeples, have a sour breath, suffer from gas on the stomach, belching, somach pains, nervous moodines, or depressions, take Nerv-Worh and let it help restore you.

DR. N. B. FERGUSON said

"Nerv-Worth is truly a great remedy. I have tested it professionally in my practice and actually and practically in my family. It gives me pleasure to recommend it to the general public It, in my opinion, will prove a great boon to the sufferers for the troubles for which it is intended to be an ameliorative remedy."

CAPTAIN MITCHELL OF CORRY TELLS AN INTERESTING STORY

Gives Convincing Proof in His Statement That Nerv-Worth Quickly Produces Results.

"I was nervous and couldn't get any regular all night sleep," said Captain Mitchell, in a letter given the other day. "I would wake up all through the night and get up in the morning feeling tired. I saw Nerv-Worth advertised, and I thought I'd try it. I am now on my second bottle and think it is one fine medicine. I feel more rested and sleep better than for a long time." Captain Mitchell is 80 years of age and is one of the prominent citizens of Corry. Two years ago as his friends know, he went on crutches and suffered from neuritis. He was left in a weak and nervous condition, and as his statement shows, Nerv-Worth has done wonders fo him. His statement offers the most convincing proof of this medicine's merits. If you suffer from any sort of nervous troube, sleeplessness, lack of nerve force, or a run down condition, or if your stomach and digestive system are out of order, give Nerv-Worth a trial, and if your first trial bottle doesn't benefit you, your money will be refunded. If you give it a trial however, you will find, as Captain Mitchell found, that Nerv-Worth does the work. See the specialist at Stewart's. Learn all about this famous remedy.

CAMPAIGN ON AT STEWART'S DRUG STORE

Special Demonstration of this famous Family Tonic

People of this city are getting an excellent opportunity to become acquainted with this justly famous home remedy by Stewart's Drug store having secured the services of Mrs. Henry to introduce this remedy to their customers. For many years, Nerv-Worth has been one of the most satisfactory home remedies offered. It has stood the test of time, and given satisfactory results wherever used. Millions of botles sold and the endorsements of thousands of satisfied users offer conclusive proof of this medicine's great merit. Further proof is found in the fact that every first trial bottle is sold on a money back guarantee. If the medicine did not have merit it stands to reason that it could not be sold on those terms. If you suffer from nervous trouble of any sort, sleeplessness, restessness, dizziness, pains in the head, side or back, and a lack of nerve force, or from any sort of stomach trouble such as indigestion, gas on the stomach, biliousness, belching, etc., you will find that Nerv-Worth will quickly give relief and at the same time it tones and invigorates the whole system throughout. Get acquainted with Nerv-Worth today, and you will find it different from anything you have ever tried. Pay a visit to Stewart's Drug Store. It will be worth your while.

Call at the Stewart Drug Store Today for a Free Sample Talk with the Specialist There Be Sure It's Nerv-Worth That You Make Your Tonic

UNIVERSAL SATISFACTION THROUGH MANY YEARS OFFERS BEST PROOF OF RELIABILITY

Nerv-Worth Has Stood the Test of Time and for Years Has Been Producing the Desired Results Every Place It Has Been Used. When You Spend Your Money for Medicine, You Want to Know That You Are Going to Get Results. Endorsements from People from Around Home and from Distant Parts of the Country Prove That it Does the Work, and Further Proof is Found in the Fact That It is Sold on a Money-Back Guarantee.

In justice to yourself you cannot afford to take chances with new and untried preparations. When you purchase a remedy you want something that will do the work and relieve your suffering. Nerv-Worth has given satisfactory service for many years, and has become the old reliable staple home remedy. It has proved by trial to be one of the greatest boons to sufferers that has yet been offered. It has proved by its own work and by actual results to give entire satisfaction. It bears the endorsement of physicians and druggists as well as those to whom it has given relief and health. Letters from people in your neighborhood and from people throughout the country tell the convincing story of how Nerv-Worth has given results when everything else has failed. Read what some of these people say in the following endorsements selected at random from the millions on file at the Nerv-Worth office.

"I cannot fully express my gratitude for the wonderful merits of Nerv-Worth and its prompt action," said Louisa Beaver, 430 Homeview Ave., Springfield, Ohio.

"I have taken two bottles of Nerv-Worth and I've seen a wonderful change. I will recommend it to the highest to anyone," said I. C Sikes, Cochranton, Pa.

"I am gaining strength and weight and am now in my normal condition, since taking Nerv-Worth," said Mrs. P. J. Wagner, 111 Livingston Ave., Dayton, Ohio.

"I have used Nerv-Worth and think it is the best tonic I have ever found," said Mrs. Fred W. Carpenter, Van-Tassel, Wyo.

"I have gained seven pounds in weight and am feeling strong and vigorous since taking one bottle of Nerv-Worth," said Leonard Perkins, 209 E. Gay St., Columbus, Ohio.

"Nerv-Worth has made me feel like a new person," Harry F. Hann, 218 S. 11th St., Independence, Kan.

"Nerv-Worth is one remedy that gives results quickly. It is a medicine of real merit," said Mrs. W. H. Parker, Kalamazoo, Mich.

"I am happy to say that Nerv-Worth drove rheumatism out of my system and stopped my stomach trouble," says George W Williams, 308 N. Fourth St., Richmond, Ind.

"We keep Nerv-Worth in the house all the time now and wouldn't be without it," said E. R. Gray, Berkley Place, Martinsburg, W. Va.

"I am gaining strength and feel more like myself and I think Nerv-Worth is the greatest medicine I ever knew of, and I cheerfully recommend it," said Mrs. H. A. Heck, 418 Holland St, Erie, Pa.

"I am 77 years of age and have been taking Nerv-Worth and I find that after taking it I feel much better, and my wife has certainly derived a great deal of benefit from the use of Nerv-Worth," said John Maynard, Center St., Catlett-burg, Ky.

"One bottle of Nerv-Worth did me more good than three trips to Hot Springs," said Policeman Clyde Vitte, of Morgantown, W. Va.

The above letters are unsolicited endorsements telling how Nerv-Worth gives the same satisfying results wherever used. If you suffer from indigestion, stomach trouble, sleeplessness, gas on the stomach, impurities, of the blood, lack of nerve force or a general run-down condition, you should try Nerv-Worth. Let it start you on the way to health. It is sold on a money-back guarantee which should convince you that it must do the work otherwise it would not be sold that way. Your druggist sells Nerv-Worth, or if he does not have it, have him order it for you, or write direct to the Nerv-Worth Co., Zanesville, Ohio, who will tell you where you can get it

Be sure and see the New Fall Suits we are featuring Wednesday and Thursday.
